IQS Undergraduate Academic Excellence Scholarship

This scholarship is awarded to incoming undergraduate students of Spain and Andorra with the best academic records, up to a maximum amount equivalent to 30 credits (maximum scholarship of 50%). Students with the best academic records will be awarded the scholarship, starting from 8.5 points and above out of 10, which is the weighted mark between the Baccalaureate results and the PAU exams (University Access Exams). In addition, the family financial resources of each applicant will be taken into account when awarding the scholarships. To apply via the international baccalaureate route, the minimum grade point average must be 9 out of 10.

Discounts and Scholarships:

IQS offers discounts to students who meet the following requirements. These discounts cannot be combined together and are only valid for students who meet the special conditions indicated below and can provide proof upon enrolment. These discounts are not applicable for the Bachelor's Degree in Pharmacy.

Large family:

Students with a large or single parent family. Discount of 5% of the tuition fees as long as this status is accredited. Renewal is automatic as long as the large family card remains valid at the time enrolment is done.

Second sibling at IQS:

For students with a sibling who is studying a bachelor's or master's degree at IQS. A 5% discount is applicable for the second sibling as long as the first sibling is studying at IQS. For twins in the same academic year, the discount applies to both students.

Tourism Reactivation Scholarship:

Spanish students of the Bachelor's Degree in Tourism and Hospitality Management can take advantage of the Tourism Reactivation Scholarship, representing a €3,000 discount from total tuition fees. This scholarship cannot be combined with other scholarships or discounts.

Renewals

IQS scholarships are automatically renewed if students meet the minimum requirements: for the IQS Undergraduate Academic Excellence Scholarship, students must earn an average grade in each course in the first term equal to or greater than 8.0, weighted by the number of credits. If this is not achieved, the proportional part is granted to the credits earned provided that the weighted grade average is equal to or greater than 7.0. You must submit the required economic information on the following link: www.iqs.edu/en/scholarships

To renew an IQS Undergraduate Financial Aid Scholarship, IQS Full Tuition Scholarship or the IQS Undergraduate International Student Scholarship, you must submit the required information on the following link, www.iqs.url.edu/scholarships, apply for renewal within the established deadlines and: (I) not have withdrawn from any of the subjects during the year; (II) not fail any more than 20% of the credits taken in the second exam session; and (III) maintain a level of family income similar to what was reported when the initial scholarship was awarded.

For the IQS Full Tuition Scholarship, maintaining suitable academic performance is also required.

Deadline for submitting the application

15 July 2024

Financing arrangements

Students and their families can apply for a bank loan for the full or partial payment of tuition through the agreements IQS has in place with different financial institutions.

The loan conditions can be found on the IQS website at: www.iqs.edu/en/undergraduate/scholarships-and-funds.
