

EXCELLENCE SCHOLARSHIPS FOR APPLICANTS WITH AN ENTREPRENEURIAL MINDSET

For students enrolled in the Master in Global Entrepreneurial Management, the Excellence Scholarships can cover up to 60% of programme tuition. The scholarships are awarded based on a combination of academic excellence and the ability to present a project proposal that students can develop throughout the duration of the Master.

Terms and conditions to apply for the scholarships:

a. Pre-registration: all eligible applicants must previously pre-enrol in the Master and provide the registration documents as indicated at the following link: www.iqs.edu/en/future-students/graduate/admission

b. Eligibility: for the 2024-25 edition of the Master, the scholarships are available only for students who are nationals or permanent residents in Europe, South America, or Africa.

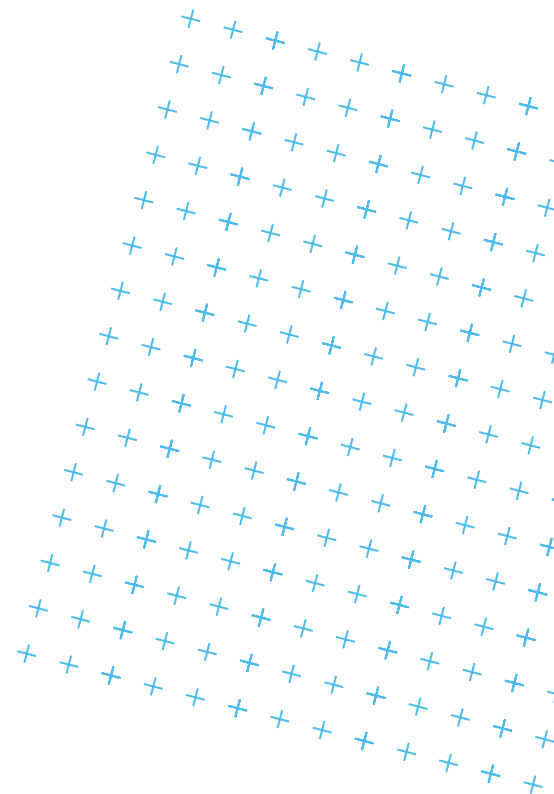

c. Academic requirements: applicants must have an overall GPA of at least 3.0 for their undergraduate studies and must be proficient in English.

d. Project proposal: applicants shall present a project draft with a proposal for a new business venture in any field in which the applicant can show sufficient previous knowledge. Project proposals should include, at least, the following chapters:

1. A description of the problem that the project is addressing.
2. An analysis of the customer segment(s) the project is targeting, and potential competitors.
3. The proposed solution and the corresponding Unique Value Proposition.
4. Estimation of the impact of the project, including the impact on Sustainability using the dimensions of the United Nations Sustainable Development Goals.

Applicants with some previous knowledge on entrepreneurship are also encouraged to develop the corresponding Osterwalder's Business Model Canvas for the project.

e. Income Certificate: copy of the family's income or tax statements for dependent students living with their families or personal income statement for students living on their own.
