What we offer you

The Social Hub Poblenou is more than a home-away-from-home, we're a family-away-from-family. You'll find our new Barcelona location in the most dynamic, modern, avant-garde neighbourhood of the city: Poblenou. Just around the corner from Diagonal Avenue and 10 min from the beach by bike make it the ideal student accommodation in Barcelona.

Our new hybrid property is not just a safe student accommodation is also a community that brings together students and changemakers, it's a place for young, eager, and aspiring minds to thrive. Across our student location, the student will feel the urban campus character through a series of spaces that continually seek to inspire and stimulate students.

A new way to learn

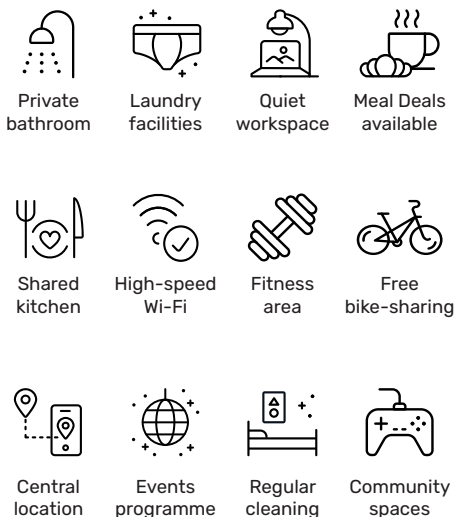

Our new Social Learning Spaces originated to give students a campus-like experience to call their own with a focus on connection. They were designed with an emphasis on spaciousness and safety, our wide selection of learning and communal spaces, big and small, catering to all needs for studying, lecturing, and everything in between. As well we provide our Learn & Grow program, events, and well-being activities to inspire students to discover what drives them. Our leadership opportunities prepare students for the future
