If you do not have any official English language certification, for these undergraduate programmes, a specific English level test must be taken in person at IQS which is different from the one that appears on the online admission test.

1.2. Admissions test date:

You must select the date to take the admissions test when making your application, based on the established calendar.

1.3. Pre-registration payment:

During the process, you must pay a €125 administration and processing fee for your application. Payment can be made online by credit or debit card. This amount will be refunded only in the event that a student is not admitted to the studies, notwithstanding the RIGHT OF WITHDRAWAL under the legally established terms.*

If you have any additional questions, please contact: grausiqs@iqs.url.edu

(*) **RIGHT OF WITHDRAWAL** Regarding the pre-registration process and the associated payment, students may exercise their legal right of withdrawal as established under the General Law on Consumer and User Defence. In view of the foregoing, applicants are entitled to a period of fourteen calendar days to withdraw and are not required to justify their decision, shall not face any penalties or fees of any kind, and shall be entitled to a full refund of any sums paid. Exercising the right of withdrawal does not require the submission of any specific form. Applicants can exercise this right by sending a letter addressed to the IQS Admissions Office (an email addressed to gradosiqs@iqs.url.edu), indicating the applicant's personal information making it possible to identify the process with respect to which the right of withdrawal is being exercised, and the decision to exercise it. Exercising the right of withdrawal within the established period means that IQS will refund any sums received within a period of fourteen calendar days from the date on which the withdrawal was communicated, by the same payment method used by the applicant or by bank transfer. The right to withdraw may not be exercised if the admissions test has been taken, without prejudice to a refund if said test has not been passed.

We will send the instructions for taking the test by email the day before the test.

Admissions tests will be sent to the email address indicated in the online pre-registration, at **3:30 pm (Spanish time)** on the date you have selected.

You have 24 hours to take the test: from 3:30 pm on the day the test begins until 3:30 pm the following day.

The admissions test lasts approximately three hours.

The Admissions Committee will decide on your admission based on your studies, academic results, and the admissions test. The Admissions Committee will inform you on your admission by email within a period of 15 days from the date you took the admissions test (not counting holiday periods such as Christmas, Easter break, or any other holiday which could cause it to be extended beyond 15 days).

A student's admission is conditional upon meeting the academic requirements necessary for accessing undergraduate studies.

4

Pre-Enrolment

The pre-enrolment payment is **mandatory** and is the step that must be taken before the enrolment period opens, during which time students must formalize their enrolment.

Once admitted, you have a period of **2 weeks** to make your pre-registration payment on the online pre-registration platform by credit or debit card. Otherwise, it will be understood that the student is not interested in continuing with the process and their pre-enrolment will be cancelled.

Pre-enrolment does not entail an additional cost as the sum will be deducted from the total tuition fees when payment is made.

The payment is only refunded in the event that a student does not meet the requirements to access studies at IQS (not having passed the PAU exams, not passing studies prior to accessing university, or not having obtained their student visa, all of this duly documented), notwithstanding the RIGHT OF WITHDRAWAL under the legally established terms.*

Pre-Enrolment sums:

- Undergraduate Programme in Pharmacy: €6,705
- Undergraduate Programme in Biomedical Sciences: €3,000
- Undergraduate Programme in International Business: €3,000

In view of the foregoing, applicants are entitled to a period of fourteen calendar days to withdraw and are not required to justify their decision, shall not face any penalties or fees of any kind, and shall be entitled to a full refund of any sums paid. The right of withdrawal can be exercised through the Campus platform, via the link "<https://campus.iqs.url.edu/es/formiqs/desistimiento>". Exercising the right of withdrawal within the established period means that IQS will refund any sums received within a period of fourteen calendar days from the date on which the withdrawal was communicated, by the same payment method used by the applicant or by bank transfer. The right to withdraw may not be exercised in the event that enrolment has been formalized, without prejudice to the right of withdrawal that may be made with respect to it, where appropriate.
