## Language Requirements

Courses are **mostly taught in English**, with only a few offered in Spanish in the School of Engineering. Applicants must demonstrate language proficiency:

- **English:** TOEFL 75 IBT, IELTS 6, or equivalent (except students from Canada, UK, USA).
- **Spanish:** B2 Certificate, or equivalent (except students from Latin America).

## Semester Workload

**Up to 30 ECTS / term**  
**(No minimum)**

*The full-time workload for a semester at IQS is 30 ECTS. However, students should verify the requirements set by their Home University and check any specific VISA-related ECTS requirements.*

## Grading System

- 0 to 4.9 → Fail
- 5 to 6.9 → Satisfactory
- 7 to 8.9 → Good
- 9 to 10 → Excellent

## Attendance

It is **compulsory to attend at least 75% of class days**. If this requirement is not met, the student will lose the right to take exams and retakes, resulting in an immediate failure.

## Transcript of Records

The **official electronic certificate** will be sent directly to the students and coordinators at the end of the semester.

## OTHER IMPORTANT INFORMATION

### Visa Requirements

All applicants from **non-EU countries** need a **visa** to study in Spain.

*Students requiring a visa will be given priority in the acceptance letter to allow more time to apply for their visas.*

### Health Insurance

All students must be under an insurance policy that covers:

- ✓ Accidents
- ✓ Medical, surgical, pharmaceutical hospitalization and ambulance expenses
- ✓ Repatriation or medical transport in case of injury or illness
- ✓ Repatriation or transport of the deceased
- ✓ Civil liability

If interested, foreign students can purchase **OnCampus**  insurance through Universitat Ramon Llull, which offers favorable coverage tailored to students.

### Housing & Cost of Living

#### Accommodation

IQS does not provide its own student accommodation. However, we have agreements with several student residences. Explore the **available options** 

#### Estimated cost of living
